Open-ended Working Group on the Question of Equitable Representation on and Increase in the Membership of the Security Council and Other Matters related to the Security Council

Draft report submitted by the Chairperson

I. Introduction

1. In its resolution 48/26 of 3 December 1993, the General Assembly decided to establish an open-ended working group to consider all aspects of the question of increase in the membership of the Security Council and other matters related to the Council.

2. The Open-ended Working Group on the Question of Equitable Representation on and Increase in the Membership of the Security Council and Other Matters related to the Security Council began its deliberations in January 1994. The Working Group submitted progress reports to the General Assembly at its forty-eighth to sixtieth sessions. At those sessions, the Assembly extended the mandate of the Working Group.

3. On 23 November 1998, the General Assembly adopted resolution 53/30 in connection with the agenda item of the Working Group entitled "Majority required for taking decisions on Security Council reform".

4. In the United Nations Millennium Declaration, Heads of State and Government resolved, in respect of ongoing deliberations on Security Council reform, to intensify their efforts to achieve comprehensive reform of the Council in all its aspects (see General Assembly resolution 55/2, annex, para. 30).

5. In the 2005 World Summit Outcome of 16 September 2005, Heads of State and Government expressed support for early reform of the Security Council and recommended that the Security Council continue to adapt its working methods (see General Assembly resolution 60/1, paras. 153 and 154).

6. Following the deliberations of the Working Group, the General Assembly, in its decision 60/568, decided that the Working Group should continue its work and should submit a report to the Assembly before the end of the sixty-first session, including any agreed recommendations. The present report is submitted pursuant to that decision.
